

Mr. Paul Rosasco  
Engineering Management Support, Inc.  
7220 West Jefferson Avenue, Suite 406  
Lakewood, Colorado 80235

Dear Mr. Rosasco:

The U.S. Environmental Protection Agency has reviewed the revised Abbreviated Work Plan for a Remedial Investigation Addendum and Final Feasibility Study for OU-1 of the West Lake Landfill that was submitted on February 5, 2016. Enclosed are the EPA's additional comments and revisions necessary for our approval on the submitted document.

In accordance with the RI/FS Administrative Order on Consent and based on the complexity of these comments, which are minor, please provide the EPA with a revised Work Plan that incorporates the requested changes within 5 working days of your receipt of these comments or no later than Monday, March 14, 2016.

If you have any questions or concerns, please contact me either by e-mail at [vann.bradley@epa.gov](mailto:vann.bradley@epa.gov) or by phone at 913-551-7611.

Sincerely,

Bradley Vann  
Remedial Project Manager  
Missouri/Kansas Remedial Branch  
Superfund Division
